GIFTS FOR HIM & YOU

2026

CATALOGUE 2026

Gifts for men have always been a particular strength of TROIKA. In our 2026 Annual Catalogue, we present a comprehensive overview of our current product range – featuring thoughtfully designed gift ideas for him, complemented by selected highlights for women that combine functionality, design and quality in a compelling way.

Whether practical accessories, stylish everyday companions or clever details with real added value: TROIKA products are gifts that resonate, are used and remembered. Timeless in design, high-quality in craftsmanship and always with that distinctive touch that defines our brand.

This catalogue provides a compact overview of the complete current assortment. Detailed product information, additional images, our globes and direct ordering options are available at any time in our business shop at **business.troika.de**.

We wish you every success and much inspiration when discovering TROIKA's gift ideas for 2026.

METAL CASTING

Keys, bags, backpacks – with the TROIKA keyring featuring Apple® Find My functionality, everything stays traceable. The robust carabiner made of metal alloy in a sleek gunmetal finish connects directly to the "Find My" app on all Apple® devices – no additional app or subscription required. If an item is marked as lost, an acoustic signal can be triggered on the device or its location shown in Apple Maps. A stored phone number or message is also displayed to anyone who finds it. The built-in battery can be replaced if necessary. Smart tech – built for everyday life.

FIND MY

NEW

TROIKA's new product range for the Apple Find My network offers smart orientation for anyone who doesn't want to leave their most important everyday items to chance. With TROIKA products certified as "Works with Apple Find My", key rings and personal belongings can be easily integrated into the Find My app.

All items are clearly displayed under the new "Devices" tab – alongside iPhone, iPad or Mac, if desired. Even if an item is offline or outside Bluetooth range, Apple's extensive Find My network, with hundreds of millions of Apple devices worldwide, helps locate it securely and anonymously. The result is a simple, reliable and privacy-conscious solution that provides greater security and peace of mind in everyday life.

Keys stored compactly and securely – with the key organiser featuring Apple® Find My functionality. Instead of dangling loosely, up to four keys are neatly held between solid dividers. The integrated chip enables tracking via the Apple® Find My app – perfect for keeping everything in check. A metal loop allows for attaching car keys, tags, or key fobs. The battery is replaceable, the design robust and well thought-out. For those who value both order and peace of mind.

LOST BAGS? SORTED.
PRIVACY GUARANTEED.

The bag and luggage tag that ensures your belongings are safely returned to you. Whether it's a sports bag, laptop bag, travel bag, or suitcase – this stylish tag ensures that your luggage will quickly and easily find its way back to you if lost. The integrated QR code connects the finder directly to the „Lost and Found" system, allowing them to contact you risk-free without disclosing your personal contact details.

But that's not all: The wire loop, where the tag is attached, can also serve as an additional security measure. You can easily thread it through the zippers of your bag or luggage to protect it from unauthorized access. With this practical extra protection, your luggage is not only safe but always stylish on the go. The perfect companion for frequent travellers, business travellers, and athletes who value both security and design.

CARBON LOOK. CLEVER CLICK.

KEY-CLICK delivers smart engineering and bold design: a locking system that uses the physical properties of a ball for secure hold and quick release – so the right key is always just a click away. The carbon-look faux leather loop adds an urban-sporty edge, while the matte gunmetal finish brings understated elegance. Comes with three keyrings for clear organisation and easy separation when needed.

TIMELESSLY BEAUTIFUL.
SURPRISINGLY SMART.

NEW

Two functions, one system: this carabiner keyring combines sleek design with smart structure. The sturdy carabiner clips onto belt loops or bags in seconds – and detaches just as quickly. A separate unit with two keyrings keeps things tidy: car, house or bike keys can be removed individually thanks to a precision ball lock. Finished in matte gunmetal – a solid choice on the move.

SHERLOCK – MINIMALISM WITH A TWIST.

A card case with a twist: SHERLOCK keeps up to six cards safe from skimming thanks to built-in RFID protection – and hidden from view inside. Its clever front slider is almost invisible, making for a neat little surprise in daily use. A strong N52 magnet allows for MagSafe attachment to compatible smartphones or cases. Also included: a self-adhesive metal ring for easy retrofitting. Made from durable aluminium – sleek, smart and secure.

SHERLOCK | CCM45/BK
Card case MagSafe, case for up to six cards (driving licence, ID card, credit card, etc.), hidden slide mechanism on the front, RFID protection (anti-scanning), strong magnet (N52) on the back for attachment to the phone, additional self-adhesive MagSafe metal ring with 3M adhesive surface for individual attachment, e.g. to all common smartphones, cases, notebooks, etc., aluminium, black

SHERLOCK HOME – THE SECURE PLACE FOR CASH AND CARDS.

SHERLOCK HOME is the wallet for modern organization – with smart details and modular functionality. Inside: a compartment for banknotes and a cleverly integrated RFID-protected card holder („SHERLOCK") for up to 6 cards. Thanks to its magnetic connection, the card holder can be easily removed and used separately – ideal for minimalist evenings or quick access on the go. The slip pocket for receipts is located on the back – always within reach. The slide mechanism remains hidden, the design clear and compact. The 2-in-1 concept combines order and flexibility – all in one smart format.

CONSTRUCTION –
MAKE IT 12 BITS, PLEASE.

VIDEO

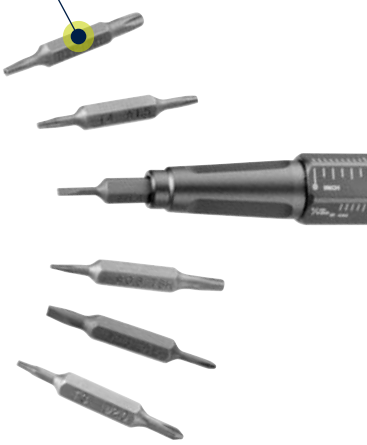

CONSTRUCTION TOOL 13 packs 12 precision bits into a slim tool pen – including special bits for Apple® devices. The magnetic tip holds each bit firmly in place during use. The end of the pen can be used to magnetise the bits, making it easier to pick up and hold small screws. All bits are neatly stored inside the aluminium housing. With integrated clip, centimetre/inch ruler and 1:20/1:50 scale – ideal for tech repairs and fine work. Thoughtful, precise and seriously practical.

CONSTRUCTION TOOL 13 | BIT20/TI

Bit pen with 12 different precision bits, space-saving storage inside the barrel, magnetic tip for secure fixation of the bits, includes special bits for Apple® devices and standard bits for common household repairs such as kitchen scales, LED light chains, remote controls, etc., integrated magnetising function at the end of the pen for easy pickup of screws and bits, with clip and centimetre/inch ruler, 1:20/1:50 scale, aluminium, chrome vanadium steel, matt, titanium coloured

SMART SECURITY. GLOBAL TRACKING.

NEW

The TSA luggage lock with Apple® Find My functionality combines security with smart tracking. Perfect for air travel: the individually adjustable combination code protects against unauthorised access, while the TSA system allows authorised personnel to open the lock without damaging it or the luggage. The built-in tracking function works via the Apple® Find My app and is compatible with all Apple® devices. A standard battery is sufficient to power the smart tech. Whether on a suitcase, backpack or bag – ready for the next trip.

The INFUSE+ bottle with double-walled vacuum insulation keeps drinks hot for up to 12 hours or cold for up to 24 hours – with 550 ml, it's perfect for travel, office or sports. The one-handed lid opens at the push of a button, and the integrated strainer reliably filters tea bags, lemon slices or mint leaves while you drink. The wide opening makes it easy to add ice cubes. A non-slip silicone base ensures stability, and the dual carabiner lets you attach it to bags or backpacks – or use it as a quick key holder. Leakproof, durable, and available in four colours: black, red, white or silver.

MORE OCEAN **LESS PLASTIC**

Our new 'Blue Cycle' product series made from Ocean Plastic perfectly combines sustainability and innovation. Each piece in the collection is made from recycled materials obtained from marine waste - turning pollution into something useful and helping to protect our planet at the same time. Products in the Blue Cycle-series are marked with a „Nature Office"-icon.

CONDITION OF GOODS
Variations in products and goods, such as grain differences in leather, colour deviations of +/- 10%, registration discrepancies up to 0.1 mm in prints, minor deviations in colours and contour alignment depending on the material type and coating, as well as slight deviations of up to 0.1 mm in engravings and prints from one produced item to the next (within one order), are considered contractually compliant.

DELIVERIES
Unless otherwise agreed, our deliveries are made via UPS Standard or DHL Standard and are calculated according to their price lists. Subsequent deliveries are made without additional freight charges.

GENERAL
Changes and errors are reserved. Due to printing technology, colour representations may differ from the products. Our General Terms and Conditions (GTC) apply. We will gladly send them to you upon request. The use, reproduction, and printing of the articles and images are only permitted with the written consent of the publisher. All brand and company names depicted are demonstration examples for prints or engravings on behalf of customers. These are not used by TROIKA.
